Jim Bradley, Director
Utah State Energy Office
3266 State Office Building
Salt Lake City, Utah 84114

Dear Mr. Bradley:

Attached please find a copy of the Environmental Monitoring Plan Outline, prepared by GEOKINETICS for submittal to the Synthetic Fuels Corporation.

I was hoping that either you or a representative of your office would be present at one of the meetings we had scheduled with the Division of Oil, Gas and Mining and the Environmental Health.

Please forward your comments to Steve Gottlieb, Director of Environment, United States Synthetic Fuels Corporation, 2121 "K" Street, N.W., Washington, D.C. 20586 and a copy to me within five (5) weeks of this submittal.

Sincerely,

Catherine V. Chachas
